Fine points:

1. Accumulation of points begins from scratch after each tour.
2. Before each tour the Board determines how much of our funds will be made available for point distribution. That is divided by the total points earned to determine the \$\$ per point value. Tour participants' final payments are reduced by an amount proportional to the points they have earned.
3. Points can be earned by non-singing spouses to use toward their own tour expenses, but they are not transferrable.
4. Final determination/approval of point distribution will be made by the Points Committee, currently Winston Currier, Marilyn Dempsey, Susan Gordon, Claire Mead.
